- ☐ I am applying with the intention of drawing on third party resources. This form will therefore be passed on to the relevant resource provider or resource providers.

**Please note:** This part of the declaration is to be completed in full by the respective subcontractor / resource provider, not by the party receiving the resources. If the required information is not entered, or is entered incorrectly, this declaration will be considered invalid and may be treated as having not been submitted. Affiliated companies within a group are also defined as third parties for the purpose of this declaration.
