

External Evaluation

Background

ADEPT is the Platform of African Diaspora Development Organizations (ADDOs) based in Europe. Located in Brussels, Belgium, it is registered since 2017 as an AISBL, an association under Belgian law. For more information, please visit www.adept-platform.org or <https://www.adept-mag.org/>

To achieve its goal ***“To strengthen capacities and impact of the African Diaspora Development Organisations (ADDOs) to perform as development actors”***, ADEPT has been carrying out a portfolio of activities and services benefiting ADDOs. ADEPT Members, direct beneficiaries, are co-development actors in Europe and in Africa, and include associations and platforms. In addition, ADEPT direct and indirect beneficiaries comprise non-Member ADDOs, ADEPT Networkers, diaspora individuals as well as national Governments.

Objectives of the External evaluation

Today, ADEPT and its partners would like to:

- Have carried out an ***overall independent assessment of ADEPT’s past performance*** paying particular attention to its intermediate results measured against its expected objectives; and the reasons underpinning such results;
- ***Draw the key lessons***, conclusions and related recommendations in order to improve current actions and better design future ones.
