

Senior Consultant, Evaluation / Qualitative & Quantitative Research

Blomeyer & Sanz is currently seeking a senior consultant to join our team. If you are an experienced professional with experience of conducting evaluations in a European / international / civil society policy setting, this is an exciting opportunity to help a well-established organisation perform at their best. Your work will enable us to grow, improve the way we work and support us to achieve our vision of becoming a leading advisor to law and policy makers at the European and international levels. Ideally, you will be based in Spain, but we will also consider applications for working remotely (based in Europe and neighbouring countries).

The Role: As Senior Consultant, you will play a vital role in helping us acquire and deliver evaluation and research assignments for a broad range of international, European and civil society organisations. Specifically, you will provide expertise and leadership to our organisation, building upon our existing 17-year track record. See www.blomeyer.eu for an overview of our work and the organisations we work for.

Specifically, you will:

- Deliver evaluation and research assignments, taking on a leading role and coordinating small teams of evaluators / researchers;
- Develop tenders / applications in the context of competitive public procurement procedures;
- Contribute to the growth of the company in some of our thematic focus areas such as human rights, democracy, rule of law, migration, anti-corruption, etc.

About You: To join us you will need:

- 5 to 7 years of experience in evaluation and research in a European / international context;
- To have worked with consultancies, research organisations, civil society or in the public sector;
- Experience of managing evaluation and research assignments;
- An understanding of the thematic areas we focus on;
- Experience with data collection in and outside Europe;
- Have postgraduate education in a relevant field;
- Be fluent in English; Eastern European languages and languages from EU-neighbouring countries are a strong asset.

The closing date for this role is 30 September 2021

Please apply with a Europass CV (<https://europa.eu/europass/en>) and letter of motivation, clearly addressing the requirements for the position, to Ms Margarita Sanz, msanz@blomeyer.eu. We will only contact shortlisted applicants.
